

EURONOVA ICE MAKING MACHINE

Euronova supplies world's best quality and aesthetic look ice making machines suit for Office, Bar, Coffee house, restaurant, laboratory, research institute, cafeteria etc ...

HIGHLIGHTS FOR ICE MACHINE

High efficient & Energy saving compressor

Available in Bullet Shape, Dice, Flakes, nugget shape etc.

Product shell is made of stainless steel materials, 304

Internal water-cycling system to make more transparent ice cube & Easy to clean the storage cabinet

New advance self-checking controller to automatically control the process from water inlet to ice making to ice dropping to ice storage and ice full storage to restart

Air cooled system & Cooling water reusing system to save enert

"Innovation Honesty Speciality Excellence Are Our Directions We Always Keep"!!!
